

Student feedback Analysis Report (Academic Session 2022-23)

1. Introduction

Shaheed Major Harminderpal Singh (Shaurya Chakra) Government College is situated in Sahibzada Ajit Singh Nagar (Mohali), Punjab. The college offer various courses like B.A., B.Com., B.Sc. (Medical & Non-Medical) and BCA. This college has developed into a postgraduate institution with the introduction of Masters in English, Masters in Fine Arts, Masters in Punjabi, MSc Chemistry, MSc Maths, MSc(IT) and PGDCA. The Internal Quality Assurance Cell (IQAC) of the College has continuously been working towards improving the quality of student learning experiences. The College conducts continuous feedback surveys annually from the students to map out the areas for further improvement and development. The responses of the students were recorded on a five point scale (Excellent, Very Good, Good, Satisfactory and Average) on issues pertaining to students' teaching-learning experiences, infrastructure and co-curricular/extension activities.

This report presents the analysis of the feedback taken from the students for the academic session 2022-23.

2. Data Collection and Analysis

An effort was made to collect feedback from students having more than 60% attendance in the academic session. For this purpose feedback form were circulated among the students and as many as 563 responses were received. For a comprehensive understanding, percentages along with appropriate charts and graphs have been used to depict the results clearly.

2.1 Course-wise Classification of Students

To ensure broader representation, efforts were made to include students from all the offered courses in the college. Figure 1 depicts the course-wise classification of student respondents. The majority of the responses were received from the students of B.A. followed by B.Com, BSc. (non-medical) and other courses.

These services relate to career counseling and placement, effective grievance redressal mechanism, dissemination of moral education, awareness generation and engagement of parents and alumni for overall growth of the institution. The responses of the students with respect to feedback on different aspects of the support system available for the student available in the college are depicted in Figure 6. As per the data, it is evident that majority of the responses of the students ranges between excellent, very good and good.

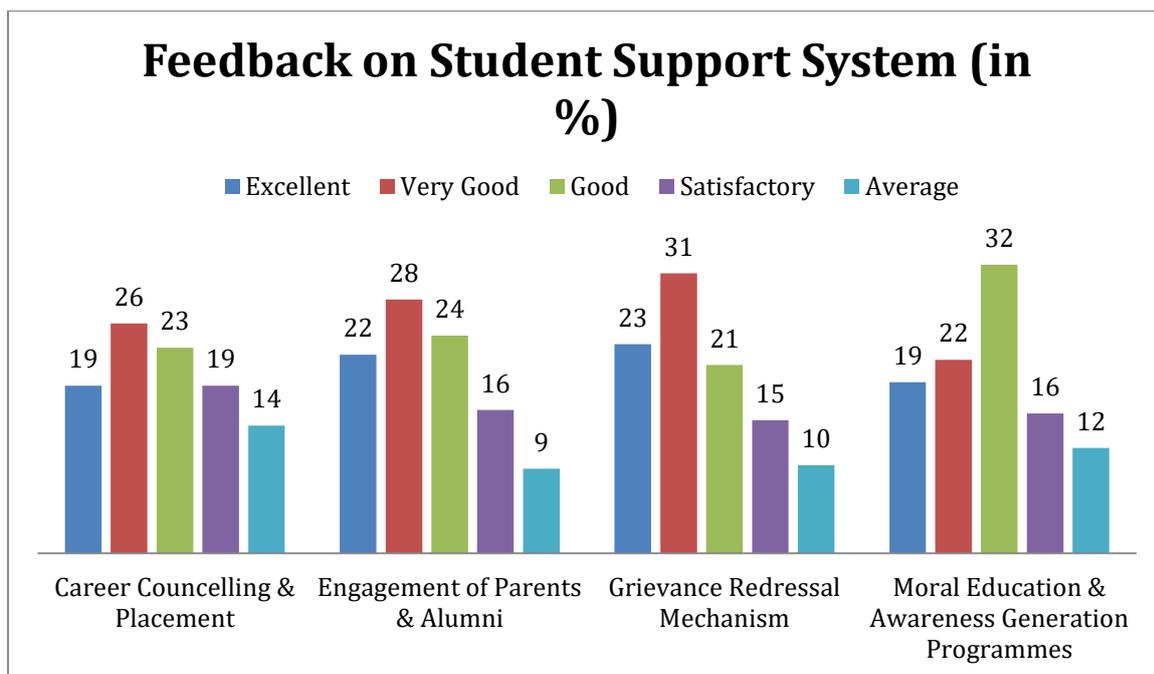

Figure 6

4. Action Taken Report

The college conducts feedback process for knowing perspective of the students. The thoughtful and constructive feedback of the students is used to make improvements in order to enhance their growth and development as well as the development of the institution itself. The feedback & suggestions obtained are discussed by the principal and college council and the issues of special concerns are addressed and discussed in the in-house meetings. Required actions, if any, were taken in the form of sending circulars related to the concern and proper follow up is ensured in order to resolve the issue properly.
